

BROMLEY AUTISTIC TRUST

IS REGISTERED AS A CRIMINAL RECORDS BUREAU UMBRELLA ORGANISATION

The development of the Umbrella Body network is a high priority for the Criminal Records Bureau (CRB) to ensure that smaller organisations can gain access to its valuable public service. As an Umbrella Body we will be helping other organisations to improve their child and vulnerable protection policies, thereby helping to create a safer society.

We specialise in carrying out CRB checks for Voluntary organisations in London and the Southy-east. If you would like Bromley Autistic Trust to carry out CRB checks for your organisation or would like our guidelines please contact:
